

# HAZARDOUS WASTE

## YES PLEASE

- ✓ Chemicals and other products carrying hazard symbols – including empty packaging
- ✓ Paint, varnish and oil
- ✓ Light bulbs
- ✓ Thermometers
- ✓ Herbicide and insecticide
- ✓ Batteries
- ✓ Spray cans

## NO THANKS

- ÷ Gas and pressure cylinders \*
- ÷ Fireworks
- ÷ Fluorescent tubes \*
- ÷ Medicines/clinical waste
- ÷ Large batteries, e.g. car batteries, etc. \*

\*Should be taken to the recycling centre instead

### PLEASE NOTE:

Empty packaging carrying hazardous symbols that also carries other waste symbols, like the plastic symbol, can be sorted as the suggested garbage type (in this example as plastic).
